

HDOG is interested in recruiting volunteers to help us clean up the weeds and dead leaves on Oak Grove Blvd. between Rupert and Cedar for the festival. We are especially interested in volunteers who have weed whackers that they could use to cut down the weeds along the curbs. We would also need volunteers who could follow behind them to pick up the weeds and dead leaves. Oak Grove Blvd. doesn't look too bad. We are thinking that if we had at least 3-4 volunteers with weed whackers and 3-4 volunteers who could follow behind them, we could finish the job within 2 hours. We are planning to clean up Oak Grove Blvd. one week before the festival date. The clean-up will be on Saturday, July 9th, between 10:00-12:00.

We welcome any of the OGCC members would be interested in joining us on that Saturday, July 9. Contact **Suzanne Wolf** <sznnwolf@gmail.com>
