### **MILWAUKIE PLANT SALES / HORTICULTURE AND FARMING -**

Milwaukie has a long-standing tradition of horticulture and farming. Alfred Luelling came across the Oregon Trail with 700 grafted fruit trees and started the fruit tree industry in the Pacific Northwest. From the 1900's to 1940's Milwaukie was an agricultural town with many family farms producing and selling a wide variety of fruit, vegetables, and flowers. Today that tradition continues with the three plant sales that happen in May! The plant sales raise funds for local projects and organizations. They offer everything from veggie starts to annuals, perennials, trees, and shrubs. Check out **May 7<sup>th</sup>, 8<sup>th</sup>, 14<sup>th</sup>** and **22<sup>nd</sup>** for more details on each organization's sites.

See 2<sup>nd</sup> Wednesday, May 11, 2022 for details related to the BCC Deliberation Hearing. The ordinance primarily contains amendments that staff thinks are needed to comply with House Bill 2001 (HB2001), a bill from the 2019 Oregon Legislature that mandates jurisdictions, including Clackamas County, allow people to build middle

housing --duplexes, triplexes, quadplexes, cottage clusters, and townhomes --in urban areas zoned for single-family detached housing. In unincorporated Clackamas County, these requirements will apply to properties in urban zoning districts R-5, R-7, R-8.5, R-10, R-15, R-20, R-30, VR-5/7, and VR-4/5. Any comments should be sent to Martha Fritzie by email at [mfritzie@clackamas.us](mailto:mfritzie@clackamas.us) before that time. **BAKER CABIN – SPRING OPEN HOUSE**

Located at the intersection of Hattan and Gronlund Roads in Carver OR. You may not have heard much about Baker Cabin recently, but we have a long history in the Carver community. Many of you might know of Baker Cabin through its decades-long wedding venue role. We've also recently enjoyed offering cabin tours, a historic hike, several clean up days, and a spectacular music sing along night. We have so much fun history to share with the local community. Come celebrate our Carver Community. In the morning there will be a workday to spread bark chips, plant flowers, or pull English ivy from our historic grounds. The cabin and historic church will be open with docents available for brief tours and able to answer some local Carver history questions. Through the day will be rock splitting and shake making demonstrations. The iconic Baker Cabin Mud Wagon will also be pulled out of the shed for your family photos. Want more info? A limited number of scholarships are available. To learn more and register, visit <https://www.eventbrite.com/e/wetland-plant-identification-workshop-tickets-301137900567>. For questions, email Renee Harber at [rharber@clackamas.edu](mailto:rharber@clackamas.edu) The Environmental Learning Center has a rich history as an educational resource for Clackamas Community College, regional schools, industry and the community. Located on the former site of a Smucker's processing plant, the center was created to demonstrate what people could do to reclaim industrial sites, address stormwater issues, and restore wildlife habitats in urban areas. Each year thousands of people visit to explore the 5-acre site and learn about watershed health. The site serves as an

important stormwater facility for the college campus and provides critical wetland habitat for resident and migratory birds, such as great blue heron, wood duck and merganser.
